How would you assess my credibility?

Currently I am working as an Assistant Superintendent of Customs in Sri Lanka Customs.

I worked as the Systems Administrator of Cargo Control System and Motor Control System of Sri Lanka Customs for four years since I joined to the Sri Lanka Customs in 2008.

Developed the GIS database for the Environmental Impact Assessment study of the Kaluganga basin that forms a part of the proposed Moragahakanda Development Programme, to be commissioned by Mahaweli Authority Sri Lanka.

What could be the working arrangement?

Contact me on email or mobile numbers or you can contact the Reforms Ministry and ask for my consultancy on your project.
